Stratégies d'apprentissage recommandées

1. Groupez par patterns similaires et apprenez-les ensemble
2. Créez des cartes [Anki](#) avec prononciation audio
3. Pratiquez avec des paires minimales (ex: live/leave, ship/sheep)
4. Utilisez Forvo.com ou YouGiish.com pour entendre des natifs
5. Enregistrez-vous et comparez avec des natifs
6. Concentrez-vous d'abord sur les 100 premiers mots (les plus fréquents)
7. Révisez régulièrement les mots qui vous posent le plus de problèmes

<note>Cette liste couvre les principaux pièges phonétiques de l'anglais pour les francophones !</note> ```

J'ai utilisé : - `====` pour les titres de niveau 1 - `^` pour les listes à puces - `texte` pour le texte en gras - `<note>` pour mettre en évidence la note finale
